

Gambia Emarketplace

How to do?

A : Cutomer

A:1: How to create a customer account in Gambia e-marketing.

- 1) Go to <https://www.gambiaemarket.com/> and create an account. If you already have a Gmail account, you can use that.
- 2) Go to the menu in the top right corner Click on **LOGIN** option and select Customer.

- 3) Create a Customer Account.

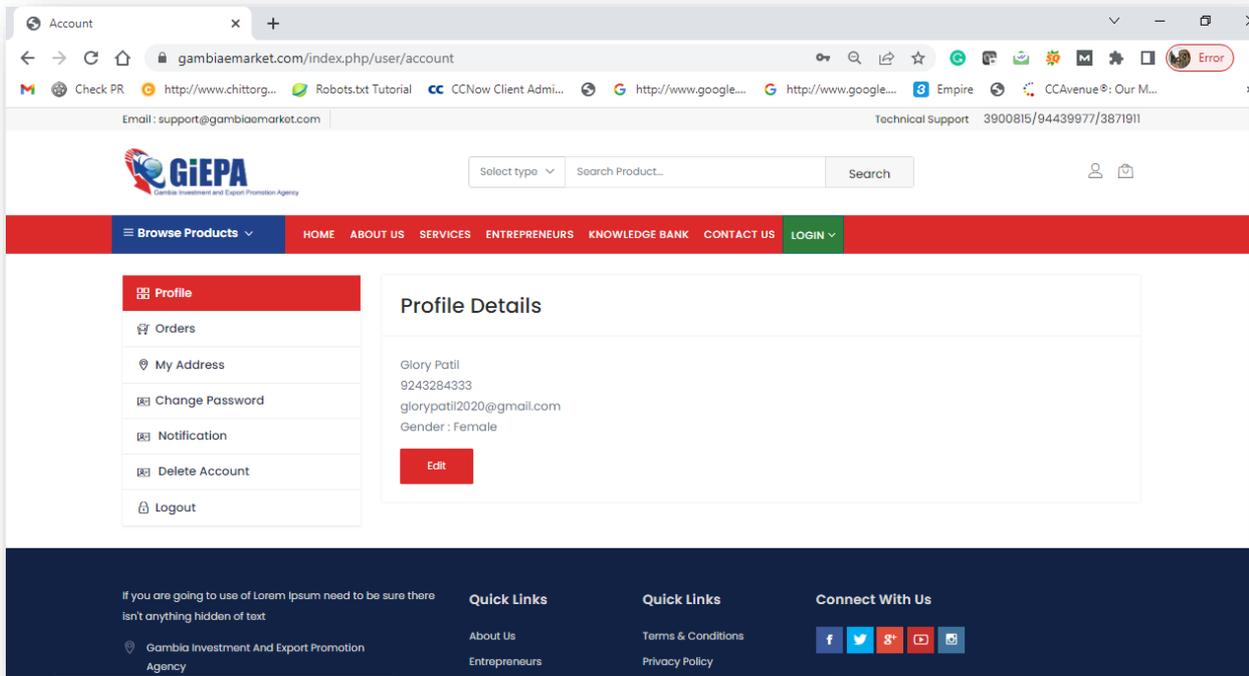

Fill the all details name, mobile no, zip code, and email, enter the password then submit.

The screenshot shows the GIEPA website's registration page. On the left, the 'Create Customer Account' form is visible, with a black arrow pointing to its 'Submit' button. The form includes fields for First Name, Last Name, Gender (Female, Male, Others), Mobile No., Zipcode, Email ID / Login ID, Password, and Re-enter Password. A checkbox for 'I accept Terms and Conditions, Data Policy' is also present. On the right, the 'Already Have A Customer Account? Login' form is visible, with fields for Email ID and Password, and a 'Submit' button. The browser's address bar shows 'gambiaemarket.com/user'.

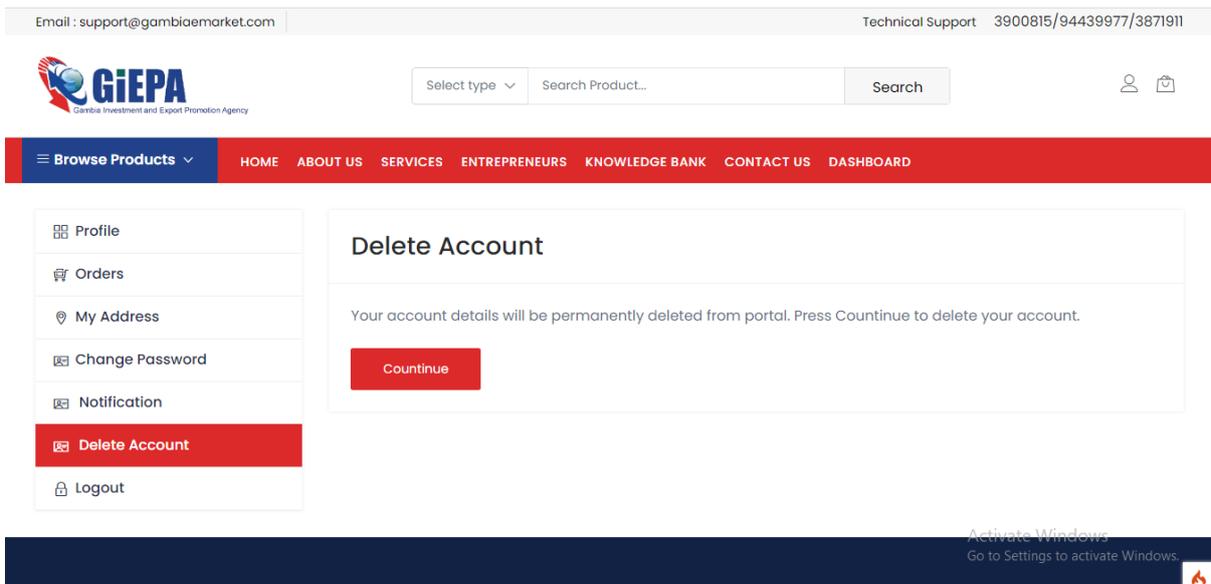

Sign up by user id and password. While logging in as a customer if you forgot the password. Then select forgot password, you will get the mail on your registered e-mail id to reset the password. If you experience any further issues contact to this support@gambiaemarket.com.

The screenshot shows the GIEPA website's login page. The 'Already Have A Customer Account? Login' form is the focus, with the 'Submit' button highlighted by a red box. The form contains fields for Email ID (with 'admin@gmail.com' entered) and Password (with masked characters). A 'Forgot your password?' link is located below the password field. The 'Create Customer Account' form is also visible on the left. The browser's address bar shows 'gambiaemarket.com/user'.

4) After creating an account you can view the screen with your profile details. Now place the order from your account. If the user wants to add further details to the profile click on the edit option to add details or edit the details.

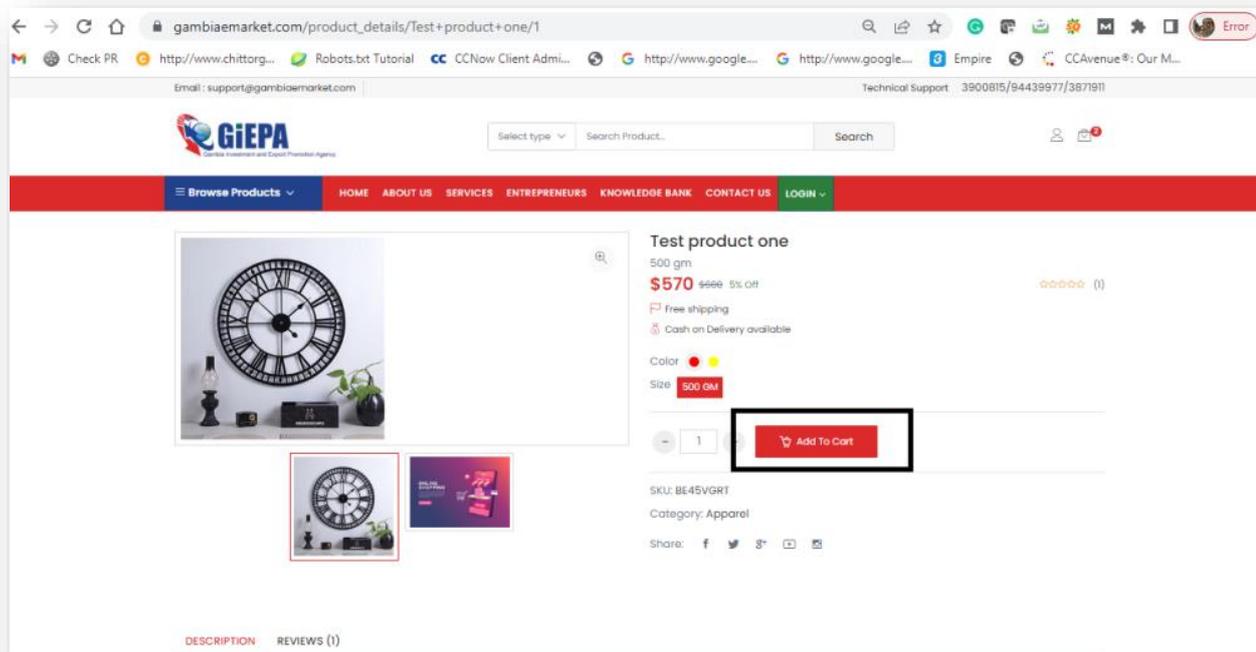

4) At any time customer can delete his/her account information from the portal.

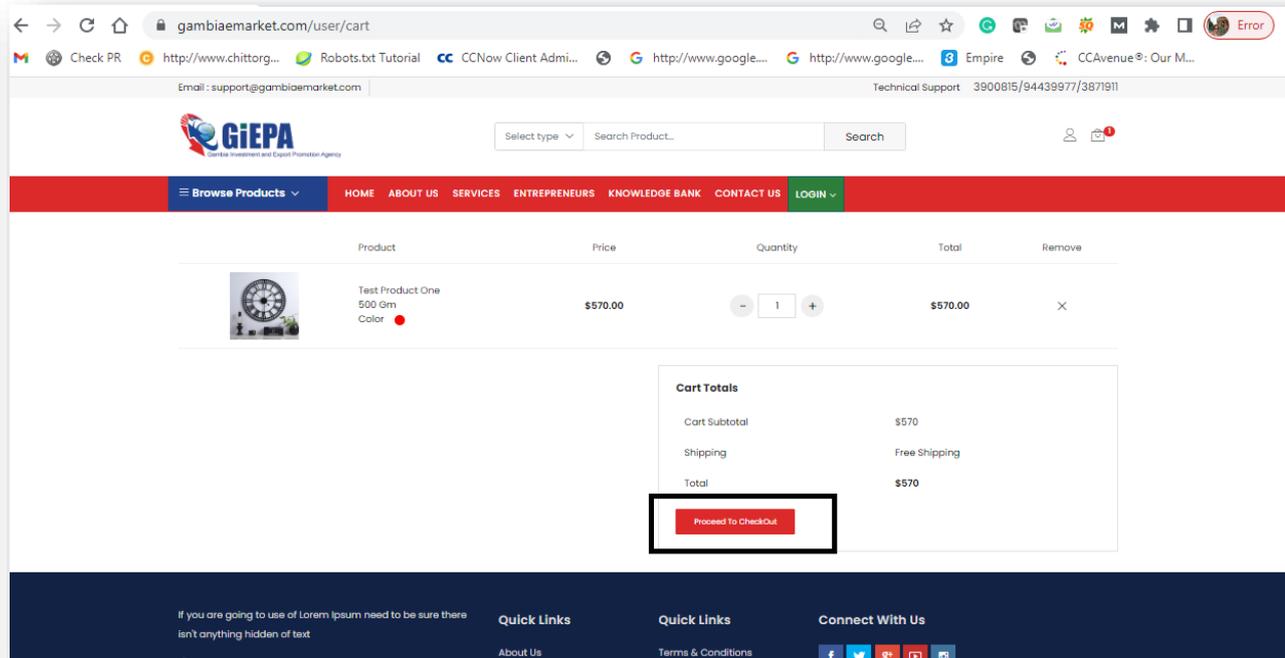

Now place an order from your account.

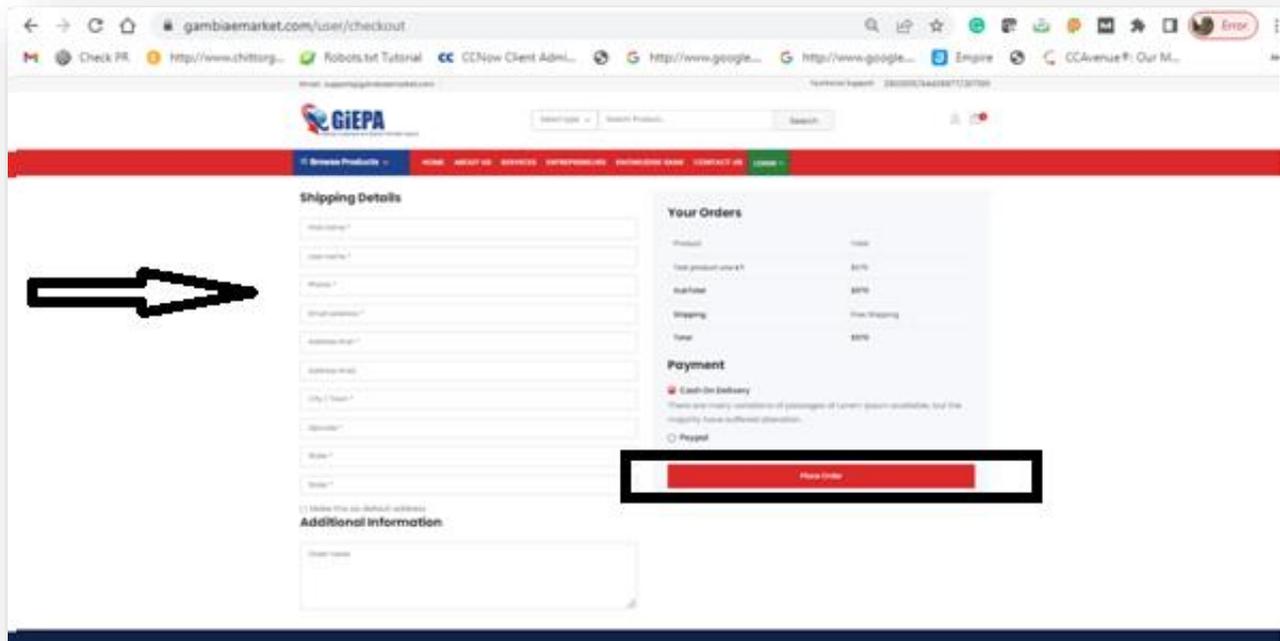

1) Go to product categories and select a product from the category. Then click on **Add to Cart**.

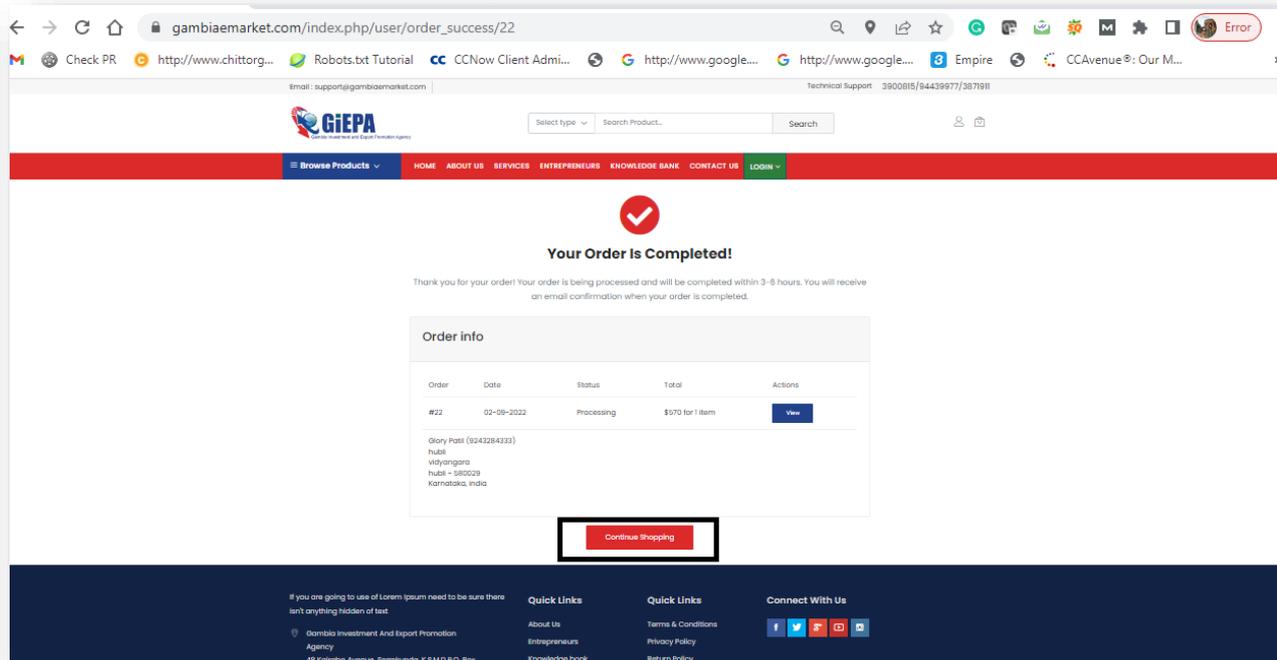

2) Go to your cart then click on **proceed checkout**.

3) Then fill in the shipping details and select **payment method** PayPal or cash on delivery then **place the order**

4) After placing the order you will get this screen click on **continue shopping** button.

Now you have placed the order successfully. Then you get the mail that the order has been successfully placed. If you didn't get the mail, then contact to this support@gambiaemarket.com. Our team will help you.
